**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic has better service, speed and price than Comcast. Comcast used to be the only decent option for internet. With Sonic now there is a decent option for internet that has broken the monopoly. Quality internet is key for my home especially since I periodically work from home. Sonic and similar companies are key to keeping a competitive marketplace.
